Section 4.

Insert the following as a foot-note to this Section.:—

In paragraph 4 of the Home Department Resolution No. 24—885-96, dated the 6th July 1883, the Government of India intimated to Local Governments and Administrations that the Secretary of State had approved of the principle to which attention was drawn in paragraph 7 of the Resolution* of the 7th September 1882, of imposing a check on the abuse of the Civil Furlough Rules by recurring grants of furlough on medical certificate, and that the best mode of effecting that object was still under consideration.

*No. 33 1343-1354

2. The Secretary of State has now decided that the Civil Furlough Rules, as they stand, appear to make sufficient provision against their frequent or general abuse, and that any present formal modification of those rules is therefore unnecessary. Officers at home on medical leave will not be permitted to return to duty without a medical certificate of fitness for duty in India. At the same time His Lordship expresses his readiness to reconsider the subject should further experience show that more stringent precautions against abuse of the rules are necessary, and is of opinion that the matter might be brought by circular to the notice of Local Governments and Heads of Departments. It is pointed out that to grant leave on urgent private affairs in consideration of the state of an officer's health is not in accordance with the spirit of the rules. When an officer applies for repeated grants of medical leave within short intervals, the attention of the Medical Board should be drawn to his case with a view to their carefully considering the term of absence necessary for his complete recovery.

3. I am to request that in future these directions may be borne in mind. Section 4 of the Civil Leave Code gives the Local Government ample powers for regulating the grant of leave of every description.—[*Circular in the Home Department, No.* 22 (*Public*), *dated* 16*th May* 1884.]
